## SPECS

Paver Size	6" x 6"
Thickness	2"
Application	Exterior/Interior Pedestrian Areas

Bluestone is a natural material, subject to variation in color and texture. It is not unusual to find occasional imperfections within each tile. This variation is considered to be a desired feature in the product. The specifications shown here represent our current inventory. Custom sizes, thicknesses and finishes are all available via special order. Contact us for a sample of our current assortment.
