Application	Exterior/Interior Vertical Surfaces Only

Terra Cotta is composed of natural materials, subject to variation in color and texture. It is not unusual to find occasional imperfections within each tile. As the product has been recovered from previous sites, each tile is unique in color and wear. This variation is considered to be a desired feature in the product. The specifications shown here represent our current inventory. Custom sizes and stains are all available via special order. Contact us for a sample of our current assortment.
